## **Acceptable Use Agreement**

The Ray Public School provides mobile hotspots to further our mission of Inspiring and challenging students to **engage** in an ever-changing world. The Internet contains many different kinds of material, some of which may be deemed to be of a controversial or offensive nature. In offering Internet access, the school staff cannot control nor assume any responsibility for:

- The content of interactive communication such as e-mail and newsgroups The validity of information.
- Privacy of information
- All users of mobile hotspots agree to hold the Ray Public School harmless from any and all claims, losses and damages, obligations and liabilities, directly or indirectly relating from the use of these devices.

By using Ray Public School's equipment, customers agree to the following:

- I will not attempt to alter the hotspot in any way.
- I will return the hardware complete and in the original packaging, without change.
- The customer will not use the unit in a way the school deems inappropriate, as defined below.

## **Inappropriate Use**

The following uses are deemed inappropriate by the school and are prohibited:

- Any utilization which is illegal, criminal, or unethical or infringes on the right or liberties of another
- Accessing, viewing, transmitting, disseminating or selling any information protected by law or subject to privileges or an expectation of privacy
- Accessing, viewing, transmitting, disseminating or selling materials, information, data or images prohibited by legal authority as obscene, pornographic , threatening, abusive, harassing, discriminatory, antisocial, or in violation of any other policy of Ray Public School
- Utilization of the mobile hotspots which causes or permits materials protected by copyright, trademark, service mark, trade name, trade secret, confidential or proprietary data and information, or communications of another to be uploaded to a computer or information system, published, broadcasted, or in any way disseminated without authorization of the owner.

**Parental Responsibility**

Parents or guardians of minors should closely monitor their child’s access to the Internet. Access to material that is considered harmful to juveniles of the is not permitted.

**Policy Enforcement**

Customers who violate the Acceptable Use Agreement are abusing computer equipment services and are subject to losing computer, Internet and school privileges. School staff will take action based on the severity of the violation. By signing this agreement, I accept the above policy and am stating that I will use the mobile hotspot according to these terms.
